iUniverse. Paperback. Book Condition: New. Paperback. 210 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Jim Mathews is a high school senior in a small town near Little Rock, Arkansas, and his future doesn't look bright. He works a variety of odd jobs to help support his mother. His grades aren't exemplary, but at least he graduates. On a whim, he joins the U. S. Marine Corps, and on the last day of August in 1940, he ships out to boot camp in Parris Island, South Carolina. At the time, talk of war is on the horizon, but Mathews has no idea of what he will eventually face. *Brave Are the Lonely* follows the course of his military career—from boot camp to advanced infantry training and Officers Candidate School Training at Quantico, Virginia, to tours of duty in four fierce, major battles, including Roi-Namur, Saipan, Tinian, and Iwo Jima, where he is awarded the Congressional Medal of Honor. It also shares the story of his personal life—how he meets his wife Helen and how he spends his postwar years crisscrossing the country on behalf of the government, recalling his retirement from the military and his life as an educator in a relatively obscure small town in Georgia. This historical novel provides insight into the battles in the Pacific during World War II and pays tribute to the men who gave their lives. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
