Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a collection of seven essays on topics that deserve our attention today. We live in trying times; so much so that it often makes one want to scream! All over the world, people fight. My way or the highway, seems to be everyone's motto. No one wants to listen to anyone else. Our world is not a loving place; if anything it is the opposite: a lusty place. Lust, masquerading as love, too often gets us into trouble. We hurt others, we break the law, we spread disease, we often get divorced when lust wears off, and then we break our children's hearts. Rape is a nasty power play. One person inflicts his desire to degrade or control on another. Rape has become more common; it's even part of the rewards of war! This is evolution in reverse: the devolution of man. Women-kidnapped, sold, or lied to about nonexistent jobs-are forced to become prostitutes. This is a crime worthy of strong punishment. Men who visit them may get a sexually transmitted disease and bring it home to their wives and children. As long as there is a demand for prostitutes, there will be a supply; it is futile to try and stamp it out. The answer is regulation and protection. Make it safer for the suppliers and the demanders. Birth is a natural process, making hospitalization unnecessary in most cases. Home births, unless complications are expected, are actually safer, and they more easily allow for the essential, skin-to-skin bonding between mother and...
