

Morristown National Historical Park Alternative Transportation System Planning Study

By U. S. Department of Transportation

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. This alternative transportation plan aims to define a more efficient transit plan for visitors to Morristown. Goals include protecting environmental resources, improving visitor experiences and safety, maximizing use of infrastructure, ensuring compatibility of goals between the park and the surrounding community, and determining cost-effective means to maximize ridership. The report identifies three transportation alternatives for Morristown and analyzes their respective benefits in terms of ridership, safety, visitor enjoyment, and efficiency, as well as costs of each plan. This item ships from La Vergne, TN. Paperback.
