Brand New Book ***** Print on Demand *****.The Active Driver: A Guide to Drive for LIFE is a contemporary defensive driving course created and written by Theo Bland III. Mr Bland was not only a professional driver but also an Illinois Secretary of State approved CDL Driver Instructor. Mr. Bland used his countless hours behind the wheel along with his instructional expertise to create a course that is easy, safe and life changing at the same time. The text deals with what is missing from traditional driver education programs by adding critical elements into the act of driving that can possibly reduce the chances of getting into a collision tremendously. Quite succinctly, The Active Driver will add peace of mind to parents of new teen driver as they hand the keys over to their young person. It will help reduce the stress of traveling in heavily populated areas and construction zones and finally, it can help the reader discover purpose, vision and life goals. It s the first and only Defensive Driving text and course of its kind. Every home in The United States of America should have a copy.
