And also this book is also for the young people that are in need of help to stay free from drugs, criminal acts and violence against one another. We wrote this book to help save a lot of souls from heading down the wrong path. Because we believe that somebody has to do it because people are hurting other people and young people are killing other young people. This book is a message to everyone who reads this book is that god will never leave nor forsake us and if you have dreams follow your dreams and if you have a calling from God answer the call and use that calling from God to help others. We wrote this book to help give loyal advice on how to gain financial growth and to gain wisdom spiritually.
