## UML EXPLAINED

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, UML Explained, Kendall Scott, There are dozens of Unified Modeling Language (UML) books, but virtually all of them assume their readers have significant experience with modeling or object-oriented development. Not this one. Written by the co-author of the best selling UML Distilled, this book is utterly authoritative -- and it's also the simplest, least technical guide to UML ever written. With it, every participant in the modeling process can learn to...
