Chronicle Books. Hardcover. Book Condition: New. Richard Thompson (illustrator). Hardcover. 64 pages. Dimensions: 7.3in. x 5.5in. x 0.6in. General science never stops! You have to learn earth science, space science, life science, chemistry, and physics - and thats way too much! But before you administer hot compresses to the head and herbal tea for settling the nerves, try Science, Fresh Squeezed! As American History, Fresh Squeezed!, the first in the BrainJuice series, did for our countrys past, Science, Fresh Squeezed! offers everything you need to know and understand about the entire body of scientific knowledge. Extracted from unreadable tomes, reduced to its essence, served up in hilarious poetry by Carol Diggory Shields, and garnished with off-the-wall drawings by Richard Thompson, these 41 poems will make another science class completely unnecessary. No guarantees on grades, though! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
