Brand New Book ***** Print on Demand *****.In a young century, opportunities for America abound, but risks to our security remain. This new National Security Strategy positions the United States to safeguard our national interests through strong and sustainable leadership. It sets out the principles and priorities to guide the use of American power and influence in the world. It advances a model of American leadership rooted in the foundation of America s economic and technological strength and the values of the American people. It redoubles our commitment to allies and partners and welcomes the constructive contributions of responsible rising powers. It signals our resolve and readiness to deter and, if necessary, defeat potential adversaries. It affirms America s leadership role within a rules-based international order that works best through empowered citizens, responsible states, and effective regional and international organizations. And it serves as a compass for how this Administration, in partnership with the Congress, will lead the world through a shifting security landscape toward a more durable peace and a new prosperity. This strategy builds on the progress of the last 6years, in which our active leadership has helped the world recover from a global economic crisis and respond to an array of emerging challenges. Our progress includes strengthening an unrivaled alliance system, underpinned by our enduring partnership with Europe, while investing in nascent multilateral forums like the G-20 and East Asia Summit. We brought most of our troops home after more than a decade of honorable service in two wars while adapting our counterterrorism strategy for an evolving terrorist threat. We led a multinational coalition to support the Afghan government to take responsibility for the security of their country, while supporting Afghanistan s...
