This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CONFESSIONS OXFORD WORLDS CLASSICS

Oxford University Press. Paperback. Book Condition: New. Paperback. 720 pages. Dimensions: 7.6in. x 5.1in. x 1.4in. In his *Confessions* Jean-Jacques Rousseau tells the story of his life, from the formative experience of his humble childhood in Geneva, through the achievement of international fame as novelist and philosopher in Paris, to his wanderings as an exile, persecuted by governments and alienated from the world of modern civilization. In trying to explain who he was and how he came to be the object of others admiration and abuse, Rousseau analyses with unique insight the relationship between an elusive but essential inner self and the variety of social identities he was led to adopt. The book vividly illustrates the mixture of moods and motives that underlie the writing of autobiography: defiance and vulnerability, self-exploration and denial, passion, puzzlement, and detachment. Above all, *Confessions* is Rousseaus search, through every resource of language, to convey what he despairs of putting into words: the personal quality of ones own existence.
