This structured plan and its processes improve leading and managing. They engage all members of the leading and managing team so they learn and develop together. Use our online tools and incorporate our framework concepts. They make leading and managing easier, efficient, and more effective. Expected Results: You ll build a structured leading and managing capability throughout your company. All on your team will understand it, embrace it, and love it. Make Life in your organization more vibrant and rewarding for everyone every day. The new concepts include establishing a framework within which a system for leading can be developed. Framework is a word used in the context of building something. We re using it in the same way. Once a framework is in place, all the parts within it fit together better. Without a framework the parts have a tendency to not work as well individually or together as well as they should. The framework of a home is established in the framing phase and occurs on top of a foundation. It establishes the places and strengths of the walls for the home. It is both boundaries and support for the home. Framework is used in the context of building something. We re using it in the same way. We re...
