Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Wise Wedlock: The Whole Truth; A Book of Counsel and Instruction for All Who Seek Happiness in Marriage The demand for yet another edition of Wise Wedlock, following so quickly upon the appearance of its predecessor, is, of course, equally gratifying to the author and publishers; the latter, who were the pioneers of books on sex questions, combining perfect candour with perfect wholesomeness, may be reasonably proud of the success which has attended this, as so many of their previous ventures, believing as they do that there are few public services of greater importance than to spread what is truly saving knowledge on the most vital of all human relationships. From the first, the success of Wise Wedlock was never in doubt; and the expressions of appreciation which have reached the author from readers who in these chapters found for the first time a frank statement of truths which it concerned them most intimately to know, would fill many pages. The writer takes this opportunity of thanking those who have written to him from far and near to bear their cordial testimony to the practical benefit they have derived from the perusal of this Book of Counsel and Instruction. He earnestly hopes that wherever this new edition or its successors are read, his work will prove a means of preventing the manifold unhappiness which so largely springs from ignorance, and promote human wellbeing and harmony within the bonds of marriage. He must needs say a word on the subject of the Wise Wedlock Advisory Bureau, which it was found necessary to establish when questions on personal problems began to pour in.
