Westland Limited, New Delhi, India. Softcover. Book Condition: New. The Seeds of War, Book Two in Ashok Bankers MBA series, introduces us to the elder protagonists of the epic, as well as some of the great loves and lusts, friendships and enmities, politics and self-sacrifice that will lay the seeds that will eventually fester and erupt into the mother of all wars. At first it may seem that the journey is the reward, with seemingly unrelated love stories, fantastical tales of exploits in the heavenly realms, divine pacts and demoniac trysts. But it soon becomes evident that all these form a tapestry revealing the grandeur and glamour of the Kuru Bharata race itself, the growing descendants of the original tribe that established perhaps the greatest and oldest human civilization ever known in recorded history. Their loves and enmities are epic, their stories astonishing, their personalities mercurial. Every page you turn reveals magical new thrills and wonders. As one larger-than-life personality after another strides onstage, the drama ratchets up to thriller level, the arrow swarms begin to fly and conflicts turn ugly as the author of the Ramayana Series once again proves himself the master of epics.
