John Wiley and Sons Ltd, United States, 2010. Paperback. Book Condition: New. 300 x 221 mm. Language: English . Brand New Book ***** Print on Demand *****.Architecture The Accessible Housing Design File Barrier Free Environments, Inc. . an invaluable resource to everyone involved with the design, construction, and management of housing for older and disabled individuals. The amount of information on each topics is the most extensive I have ever seen. --Elaine Ostroff, Adaptive Environments Center Boston, Massachusetts New legislation on accessibility has made it tough for designers and builders to create environments that are both aesthetically pleasing and accommodate people with disabilities The Accessible Housing Design File helps you comply with the latest accessibility standards and keep up with the increasing demand for more universal housing. Responding to the accessibility standards established by the Americans with Disabilities Act (ADA) and the Fair Housing Amendments Act (FHAA), this guide covers the special design and construction considerations of environments for people with mobility impairments. It also contains some design solutions to access problems for people with visual and hearing impairments. Both interior and exterior environments are addressed in chapters that take you from site planning through selection of door hardware. Site designs, room layouts, floor plans, jargon-free explanations, and 300 detailed illustrations convey whole settings and provide you with fully dimensioned solutions to tough design problems. These design solutions will help you to create new housing as well as renovate existing single- and multi-family residences to increase accessibility. The Accessible Housing Design File emphasizes both universally usable and marketable environments that have excellent resale value. It covers the full gamut of accessible design and construction options for: Vehicular transportation and parking--Accessible vans, carports, and garages Site design and entrances--House placement, sloping sites, walks, crossings, bridges, lifts, ramps, and handrails Doors and...
