Suitable for: 8+ years. In stock in Australia NOW, for immediate delivery! Will magic finally let Iznogoud become Caliph . When a particularly inept fairy in training accidentally arrives in Baghdad and mistakes Iznogoud for Prince Charming, it's easy to expect a merry string of disasters. And the unlikely pair don't disappoint - fairy tales will never be the same again! Whether pulled through the looking glass or forced to demonstrate his many virtues, poor Iznogoud is, once again, going to suffer for our entertainment! 'Oh, I could go on. But that would take away all your fun. Go find out for yourself. It's so simple, yet so well structured, a master at play. Great fun for all ages, each age range getting something good out of the laughs on offer' [Richard Bruton, Forbidden Planet International Blog] Key Points: *Suitable for both children and adults *Iznogoud has been published in many languages all over the world and has been adapted into books, games, animated cartoons, a live-action film and toys. René Goscinny, also the author of 'Lucky Luke' and creator of 'Asterix', is one of the most-read French writers in the world, with around 500 million sales. Jean Tabary started his career in 1956 at the French comics magazine Vaillant - later renamed Pif - for which he drew 'Richard et Charlie', 'Totoche' and 'Corinne et Jeannot' before starting his long-lasting collaboration with Goscinny in 1962.
