Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Mr. Punch on the Continong: With 152 Illustrations Nothing is more calculated to give Englishmen a good conceit of themselves in the matter of international courtesy than a careful examination of the archives of Mr. Punch, such as was necessary in the preparation of the present volume. To anyone familiar with the anti-British attitude of the French comic press before these happier days of the Entente Cordiale, and of the German press at all times, the complete absence of all manner of ill-feeling from Mr. Punch s jokes about our neighbours across the Channel is little short of wonderful. Even in the days when the English people were the unfailing subject for every French satirist when he suffered from an unusual attack of spleen, our national jester seems never to have lost the good-humour with which he has usually surveyed the life of the Continent.
