Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, A Kill in the Morning, Graeme Shimmin, 'I don't like killing, but I'm good at it. Murder isn't so bad from a distance, just shapes popping up in my scope. Close-up work though - a garrotte around a target's neck or a knife in their heart - it's not for me. Too much empathy, that's my problem. Usually. But not today. Today is different.' The year is 1955 and something is very wrong with the world. It is fourteen years since Churchill died and the Second World War ended. In occupied Europe, Britain fights a cold war against a nuclear-armed Nazi Germany. In Berlin the Gestapo is on the trail of a beautiful young resistance fighter, and the head of the SS is plotting to dispose of an ailing Adolf Hitler and restart the war against Britain and her empire. Meanwhile, in a secret bunker hidden deep beneath the German countryside, scientists are experimenting with a force far beyond their understanding. Into this arena steps a nameless British assassin, on the run from a sinister cabal within his own government, and planning a private war against the Nazis. And now the fate of the world rests on a single kill in the morning.
