Is Your Husband Cheating is the heart breaking true story of how an adulterous and cruel man destroyed his family, abandoned them, and never looked back! This book is designed to give women the courage and foresight to protect themselves, and their children, emotionally and financially! Should you suspect your husband of infidelity, you have the right to know! The truth will give you the much needed perspective, to help you make expedient and life altering decisions! Ask yourself this question, Can you continue to live with your cheating spouse? Does your spouse value you, as human being, to be so cruel and dishonest? Do not sit in the dark and expect the extra-marital affair that your husband is having, to go away, it won't! Most women who are blindsided by a runaway husband are not prepared financially, and end up in poverty for the rest of their life, with the responsibility of raising the children! Be proactive, do not be reactive! Be strong and courageous, for yourself and your children!.
